## About the College:

Dev Sanskriti Mahavidyalaya was started running under the aegis of "Ved Mata Gayatri Shikshan Samiti" which was structured in the year 2007. Later on changing name and place it became "Dev Sanskriti College of Education & Technology" in the year of 2011 -2012 along with the motto of "Tomaso Mao Jyotir Gamaya", which means Oh! Goddess of Education Please lead us on the path of Light from the Darkness. Our college is one of the prestigious Higher Education Institution. It is located in C.G. at Khapri, (Rural Area) Dhamdha Main Road, just 6km from Durg Railway Station. And just 2km from IIT Bhilai Campus Kutela Bhanta Bhilai College is having huge and beautiful infrastructure along with the open area with beautiful garden, plastic and tobacco free campus with vehicle shed and sports area for cricket, volleyball etc.

We are proud to have qualified enthusiastic, experienced and updated faculties, who are always ready to help students. Time to time management conduct faculty development programs to groom and motivate them. In the other hand many facilities are provided to the students, like well furnished class rooms smart class, water purifier well set library. Our college organizes many competitions and programs for students to shape them. In the year 2009-2010, 2010-2011, 2017-2018, our college students achieved university top rank in B.Ed. course. Two national workshop and three national Webinar, college level workshop and seminar, guest lecturer, educational and spiritual tour also conducted by our institution. The institution has been imparting education in the field of Education, Library, Computers, Commerce, Art at under graduate level. Our institution also provides skill development classes like Computer Classes, Yoga and Spoken English classes to our students. In the year 2018-2019 training about preparing vermi compost and use of pesticides, have been given to all the govt. schools under 10 km. rural area near by our college. We don't have any report of ragging or women harassment so far.

Nevertheless students belong to different religions but our spiritual and value based knowledge help to make them a better human being. Different festivals and cultural programs are organized here time to time students and faculties are together made more glorious. After IQAC structured our institution is continuously practicing for modifying educational environment and overall development of students in the field of higher education. In 2022 our college NAAC Accredited with Grade B+.

## About the FDP

Research is an essential component for advancement of knowledge and development. In the recent past, the interdisciplinary nature of research work has evolved significantly. To cope with interdisciplinary research problems and find the solutions in a better way, one needs a thorough understanding of research problems and focused research. Research Methodology is a step-by-step plan for conducting research in a systemized manner. There has been a fast-changing pattern in research over the last decade concerning approaches, analysis, validity and utility perspectives. To critically review recent research approaches, designs and appropriate data analysis tools for quality researches, such platform is required.

## Objectives

1. To provide understanding of the concept of Research Methodology.
2. To Describe the Literature Review and Variable identification.
3. To provide insight into the suitability of research and Questionnaire Design as per the objectives of the research.
4. To explore research hypothesis and sampling techniques.
5. To Practice exploratory data analysis (Parametric test)
