About the College:

Dev Sanskriti Mahavidyalaya was started running under the aegis of "Ved Mata Gayatri Shikshan Samiti" which was structured in the year 2007. Later on changing name and place it became "Dev Sanskriti College of Education & Technology" in the year of 2011 -2012 along with the motto of "Tomaso Mao Jyotir Gamaya", which means Oh! Goddess of Education Please lead us on the path of Light from the Darkness. Our college is one of the prestigious Highe1 Education Institution. It is located in C.G. at Khapri, (Rural Area) Dhamdha Main Road, just 6km from Durg Railway Station. And just 2km from llT Bhilai Campus Kutela Bhanta Bhilai College is having huge and beautiful infrastructure along with the open area with beautiful garden, plastic and tobacco free campus with vehicle shed and sports area for cricket, volleyball etc.

We are proud to have qualified enthusiastic, experienced and updated faculties, who one always ready to help students. Time to time management conduct faculty development programs to groom and motivate them. In the other hand many facilities are provided to the students, like well furnished class rooms smart class, water purifier well set library. Our college organize many competitions and programs for students to shape them. In the year 2009-201 0, 2010-201 1 , 201 7-2018, our college students achieved university top rank in B.Ed. course. Two national workshop and three national Webinar, college level workshop and seminar, guest lecturer, educational and spiritual tour also conducted by our institution. the institution has been imparting education in the tied of Education, Library, Computers, Commerce, Art at under graduate level. Our institution also provides skill development classes like Computer Classes, Yoga and Spoken English classes to our students. In the year 2018-2019 training about preparing vermi composed and use of pesticides, have been given to all the govt. schools under 10 km. rural area near by our college. We Don't have any report of ragging or women harassment so far.

Nevertheless Students belong to different religions but our spiritual and value based knowledge help to made them a better human being. Different festivals and cultural programs are organized here time to time students and faculties are together made more glorious. After IQAC structured our institution is continuously practicing for modifying Educational environment and over all development of students in the field of higher education. In 2022 our college NAAC Accredited with Grade B+.

About the Workshop:

2 Days National Workshop on "AI in Higher Education" Schedlue to be held at Dev Sanskriti College of Education and Technology Khapri Durg (C.G.) on 23rd Feb. & 24th Feb. 2024. The scope of Artificial Intelligence in education is vast. It can help instructors in collecting important data on metrics for grading assignments.

It can help eliminate manual administration work in schools, colleges and universities. With AI, educational Institutes can deliver personalised learning and intelligent tutoring to students.

Objective of Workshop:

With Artificial Intelligence the study information can be perceived in new ways of visualization, simulation, web based study environment learning content updated. Moreover AI also helps in preparing the content of lessons, keeping information up to date and make it adaptable as per. different learning curves.

Subthemes:

1. AI in Education toward all sustainable development Revolution.

2. AI in Teaching learning Process & Its Pedagogical approaches.

3. Emerging & Existence of AI

4. Opportunities, Challenges & Future of AI
